26 April 1968

MEMORANDUM FOR THE RECORD

Morning Meeting of 26 April 1968

DD/I advised that photography from the 22 April SR-71 mission was also a washout, since there was only 10 percent cloud-free coverage.

DD/I reported that ADD/I and ADD/S&T attended a meeting of the Land Panel and got the distinct impression that the Panel is determined to carry MOL through to birth.

DD/I noted that he will be lunching with General Carroll to discuss the strength figures exercise.

DD/I advised that one casualty of the turmoil at Columbia University has been a faculty vote against continuation of a CIA project in the International Affairs Institute.

25X1

Godfrey reported that the student siege of the U. S. Embassy in Prague has ended.

Godfrey noted that the Night Journal item on destalinization in Bucharest may have been overplayed in that the consensus of the analysts is that Ceausescu may be letting up on the throttle but it will be slight and controlled.

Godfrey commented that Berlin Mayor Schuetz was stopped from passing through the corridor on the pretext of his formal position in the government of the Federal Republic.

D/ONE gave the Director a brief memorandum on Panama.
